

CTE Leadership Network Event

September 14, 2016

Who should attend?

Site-based and district office leaders; schools and districts with Carl Perkins funds; CTEIG grantees; CTSO leaders and advisors; career pathway leads and teachers

11 Elements of High Quality CTE Overview and CTEIG Update

An overview of California's 11 Elements of High Quality CTE will be provided. CTEIG updates, including timelines, key data elements and system code alignment will also be shared.

Student Leadership Development

CTE High Quality Element #4, featuring Career Technical Student Organizations (CTSOs), and leadership embedded curriculum strategies will be featured with guest presentations provided by local, regional, and state leaders.
