

SBConnect Leading the Future of Biomedical Science

**INNOVATIVE OUTREACH.
ENGAGING PARTNERSHIPS.
TRANSFORMATIVE OUTCOMES.**

The UCR School of Medicine Division of Biomedical Sciences prepares students for cutting-edge areas of research specialization related to understanding human disease. Join this virtual session featuring two current biomedical science Ph.D. students' individual research interests and their findings on the impact of disease on cardiovascular health. This online session will expose your students to the skills, knowledge, and practices used in the biomedical world of work.

Daniel Diaz & Rebecca Hernandez

Ph. D. Students of UCR

Live Online Session

Date: 01/18/2022

Time: 9:00 a.m. - 10:00 a.m. PST

Audience

High School & Middle School
