

# San Bernardino County Sheriff Aviation Department

**INNOVATIVE OUTREACH.  
ENGAGING PARTNERSHIPS.  
TRANSFORMATIVE OUTCOMES.**

The San Bernardino County Sheriff's Aviation Unit is the leading aerial law enforcement unit in the county. The unit covers over 20,000 square miles and employs 16 aircraft. Residents of SB and neighboring counties receive evacuation, search and rescue, and disaster response services from some of the most highly trained personnel in the nation. Students will engage active pilots and aircraft mechanics about their current careers and the demands expected for successful entry into an occupation in aviation.
