

BEGINNER DRONE PILOT TRAINING

Offered by SBC ROP in partnership with UAS at SBD

Learn to safely operate drones for commercial use in this instructor-led course, designed for adult learners. Upon completion, you will have the skills to pass the FAA Part 107 UAS Drone Pilot Exam and effectively operate drones for commercial purposes.

 **FAA Part 107 Test Prep:** Learn Federal Aviation Administration (FAA) regulations, airspace rules, and key concepts to prepare for and take the certification exam to become a licensed drone pilot.

 **Ground School:** Learn about the regulations and requirements for drone ownership and operation.

 **Flight Line Training:** Receive hands-on instruction to properly and safely fly unmanned aerial vehicles.

Course Fee: \$175

The class fee includes one exam attempt.
